DOMINATOR

AVAILABLE WITH

- TRADITIONAL OUTBOARD ENGINE ON 175X, 185X, 195X AND 205X
- ALUMATRAC ACCESSORIES

FEATURE HIGHLIGHTS

X-PODS

These transom extensions wrap around both sides of the engine and feature convenient, in-floor storage compartments. The additional 16" (406 mm) of space gives you more standing room and water access at the stern, and easier handling.

PATENTED PRO4M™ HULL DESIGN

The patented PRO4M™ hull combines X-Pods, a Curved Gunnel, All-Aluminum Transom and 2XB™ Seamless Bottom to deliver exceptional strength, stability and a smoother, quieter ride.

TILLER CAPTAIN'S HELM

Provides improved integration of both switching and electronics and uses injection-molded plastic materials to enhance the overall fit and finish. Comes standard with a 7" (178 mm) Garmin digital display, NEMA network, and the option to install up to two 12" (3.66 m) graphs.

BOW CONTROL CENTER

The new bow control center gives you the option to mount up to a 12" (3.66 m) graph and includes a tool holder, cell phone holder with a USB charging station and a trolling motor foot pedal well.

COOLER (PORT SIDE)

Keep ice, snacks and drinks cold all day with an insulated 11.5 gal / 46 quart cooler with a locking lid.

DRY STORAGE

Dry storage in the bow of the boat protects your equipment in any weather conditions.
