NEW FEATURES

- NMEA 2000 NETWORK
- GARMIN ECHOMAP 7" [178 mm] DIGITAL DASH
- FUSION STEREO
- BOW DRY STORAGE
- TROLLING MOTOR FOOT PEDAL WELL
- DEDICATED TACKLE STORAGE
- 10' [3.05 m] MAX LENGTH ROD STORAGE [205X]
- X-POD TRANSOM DESIGN

The Flex FSX module gives the best of both worlds with a 21 gallon [80 L] livewell, two jump seats, underseat storage, and a ski pylon base [ski pylon available separate for purchase].

The Flex 29 is a rear module divided in two sections - a 29 gallon [110 L] livewell on one side and additional storage on the other.

The Flex 50 module is all about catching fish, since it comes with a 50 gallon [190 L] livewell.

TROPHY

AVAILABLE WITH

- TRADITIONAL OUTBOARD ENGINE ON 180X, 190X, 200X AND 210X
- ALUMATRAC ACCESSORIES

FEATURE HIGHLIGHTS

TIP-OUT STORAGE

The 2026 Trophy models feature full height cockpit storages for all your gear. The port side top locker is rod storage that can hold up to 10 ft (3.05 m) rods (205X). The starboard top locker is open storage for gear. The bottom locker on both sides is a new tip-out tackle tray storage for all your tackle.

REDESIGNED CAPTAIN'S HELM

Provides improved integration of both switching and electronics and uses injection-molded plastic materials to enhance the overall fit and finish. Comes standard with a 7" (178 mm) Garmin® digital display, NMEA network, and the option to install up to two 12" (3.66 mm) graphs behind the windshield.

X-PODS

These transom extensions wrap around both sides of the engine and feature convenient, in-floor storage compartments. The additional 16" (406 mm) of space gives you more standing room and water access at the stern, and easier handling.

TROPHY SHADOW SERIES PACKAGE

Elevate your Trophy with a distinctive combination of custom Shadow Series upholstery, upgraded seating and cushions, enhanced lighting, and a 36V kit. Available across all exterior colors, this package adds a refined look and premium finishing touches from bow to stern.

ALL-NEW PROCORE™ SYSTEM

Our patent pending fuel reservoir system integrates the battery storage in its center. Designed to optimize balance and stability while you're on the water.

BOW CONTROL CENTER

The bow control center gives you the option to mount up to a 12" (3.66 mm) graph and includes a tool holder, cell phone holder with a USB charging station and a trolling motor foot pedal well.
