FISHING FREEDOM

2022 CATALOG

IT'S ABOUT MORE THAN CATCHING FISH

Throughout the past 75 years, Alumacraft has had a rich history of building memories and shared experiences with family and friends. Today, we enjoy sharing our love of fishing and nature, and we are proud to support our fishing communities, nurturing new talent and inviting more people to join our passion.

FISHING FREEDOM. IT'S WITHIN REACH.

Tight lines. That's the thrill. And that's one reason we are out here. Sometimes it's just about time spent with family and friends. Other days it's the peace and quiet.

No matter how you fish, we know that fishing is more than the satisfaction of a great catch, it's a way of life. At Alumacraft, we build our boats to refine the experience, making it smoother on and off the water, so your adventures are hassle-free and you can spend your time where it matters - catching fish. There's your way of fishing and we'll help you get there.

Find your Fishing Freedom with Alumacraft.

"#FishingFreedom is cruising across the lake on a glassy morning with a touch of fog hovering as the sun rises, then picking up my rod for the first time as the excitement builds. These are the moments I live for."

JAY SIEMENS
ALUMACRAFT AMBASSADOR

 jay_siemens

A woman with blonde hair, wearing a red baseball cap, sunglasses, and a grey long-sleeved shirt, is standing on a black Alumacraft boat. She is holding a fishing rod and reel. A black and white speckled dog is standing next to her on the boat. The boat is on a calm lake, and the background is a dense forest of trees with vibrant autumn foliage in shades of yellow, orange, and green. The sky is overcast. The boat's reflection is visible in the still water.

"My Alumacraft has allowed me to connect with my best self. It's been my office, my best friend and dependable co-worker. When I am in my boat, on the lake, I feel alive. My Alumacraft isn't just a boat, it's a lifestyle. It's freedom on the water."

REBEKKA REDD

ALUMACRAFT AMBASSADOR

 [rebekkaredd_flyfishing](https://www.instagram.com/rebekkaredd_flyfishing)

THE ALUMACRAFT LINEUP

We build and design aluminum boats to refine your experience – making it smoother on and off the water and as hassle-free as we can make it. So you can use your energy where it counts – catching fish.

FISH & SPORT

Alumacraft Fish & Sport models combine our angling features with a little extra comfort and versatility. Just stash the rods when it's time to tube, ski, cruise or hang out at the cove. The fish will wait.

MULTISPECIES

From Mille Lacs to the mill pond, passionate anglers know an Alumacraft multispecies boat is the best tool for the job. Hunt a monster muskie, take the tournament with that last-chance walleye, or toss a worm to sunnies with the kids. These boats are designed by experts to help you catch more fish.

HUNT & UTILITY

When you need to go way out there, count on a rugged boat from the Alumacraft Hunt & Utility series to get you there and back. Our toughest models are easy to transport to remote hunting and fishing grounds, and they look the business.

THE ALUMACRAFT ADVANTAGE

YOUR PASSION, OUR PRECISION

With 75-years of boat building knowledge, we build Alumacraft boats and design our technology to refine your experience, making it smoother on and off the water. With advantages like our exclusive 2XB™ hull construction, Aquadynamic hull design, and Alumatrak™ Mounting System, you can experience the Alumacraft advantage firsthand and enjoy hassle-free days on the water.

EXCLUSIVE 2XB HULL CONSTRUCTION

Our exclusive 2XB full-length, twin plated hull offers twice the strength and protection. A superior hull design that dramatically reduces sound and vibration, paired with larger aircraft grade rivets and a seamless one-piece hull bottom, means a soft, quiet and dry ride, even in rough water.

AQUADYNAMIC DESIGN

Large, reverse-dispersal spray rails deflect back splash more effectively for a drier ride even in rough conditions.

ALUMATRAC MOUNTING SYSTEM

Heavy-duty and easy to take on or off, this high-quality machined aluminum system fits as good as it looks.

THE ALUMACRAFT WARRANTY

THE ULTIMATE ACCESSORY

We stand behind all of our products with a 20-year hull warranty and 4-year 'bow to stern' warranty on all parts and components. The warranty is fully transferable to a second retail owner with proper inspection by an authorized Alumacraft dealer.

For full warranty details,
visit www.alumacraft.com

ALUMA*Craft*

Our boats are designed to connect with adventurers. They're built to give boating and fishing enthusiasts like you exceptional times out on the water. Get a quote today at Alumacraft.com and start your next adventure with Alumacraft.
